Web Development

# KRISHNA KUMAR

## Student in Computer Science and Engineering

Excellent team player and content expert with in-depth knowledge of development tools and languages. And also I have knowledge about networking and Cloud engineering Looking to obtain the position of Software Developer in a fast paced tech environment to utilize well honed skills in computer science.

## PROJECTS

### College Management System

#### Pailan College of management and Technology

06/2020 - 07/2020

- I have build a website for college management system which has following functionalities; Login: Admin, Staff and Student Sign/in/out, lost password, adding, deleting ,updating, managing attendance and salary of stuff. The website organised subject allocation and courses for each student admission, exam schedule, fees, account settings, result etc... Technology used: Frontend: Html, css, javascript Bootstrap, chartjs. Back end: Django, postgresql.
